Rice dishes

The key to deliciousness is how you mix it !!

Mixing when it's still piping hot makes rice scorched outside and mixing quickly prevents rice from becoming watery. Both are important points to make stone-baked bibimbap delicious.

Sam's special

Please use meat tongs for safe eating.
 Always use meat tongs to put meat on the grill from the plate and to cook meat on the grill. When meat is fully cooked, put it on a serving plate with chopsticks.

For your safety
 Never drive after drinking. Drunk-driving that may cause a serious accident is prohibited by law. The driver, passengers and those who offer drivers drinks will all be punished. Drinking alcohol under 20 is prohibited by law, because it is dangerous for their developing bodies. Age verification may be necessary.

Allergen information
 Information is presented on seven allergens. This is only a theoretical indication based on ingredient assessment results. It's not an absolute guarantee of safety as ingredients not used for a certain dish may stick to or become mixed into the dish during cooking.
